

Captain Earle Worley Scholarship Fund, 2020

We are pleased to announce the availability of the Captain Earle Worley Scholarship. The Captain Earle Worley Scholarship Fund was established in 2017 to honor the memory of Captain Worley, a career pilot with United Airlines for 35 years, retiring in 1988. His love for aviation started when he entered the Navy as a naval air cadet. He then became a flight instructor and a member of the Civil Air Patrol. He founded the Eagles Chapter of the Virginia Aeronautical Historical Society in Williamsburg. The scholarship is intended to support post-secondary educational scholarships for qualifying graduates of public or private high schools in Virginia, attending an accredited two- or four-year community college, college or university, or vocational school in the United States who plan to study aeronautics, aerospace, aviation or related engineering.

The link to access the scholarship application through Community Foundation of Richmond will be available in early 2020. Applications and supporting materials will be due in early March 2020.
